

Access Your Securities via CDSL & NSDL Mobile Apps

In coordination with **SEBI**, the Depositories (**CDSL** and **NSDL**) have upgraded their mobile applications to provide you with a consolidated, "bird's eye view" of all your securities holdings across the Indian markets.

Whether you hold assets in one or both depositories, these platforms eliminate the need for multiple logins and offer a unified window into your investment portfolio.

Key Features & Benefits

- **Unified Dashboard:** View your consolidated securities across both CDSL and NSDL in a single interface.
- **Comprehensive Reporting:** Access your transaction and holding statements in one place for better portfolio management.
- **Real-Time Monitoring:** Track open positions and margin details across various Stock Exchanges and Clearing Corporations.
- **Direct Participation:** Exercise your right to **E-voting** on company resolutions directly through the app.
- **Informed Decisions:** Get direct access to recommendations from proxy advisers regarding company resolutions.
